

# Opal Haze Jewelry + Thrift

Vintage Treasures, Modern Spirit

## Our Story

Based in the heart of Salt Lake City, Utah, Opal Haze Jewelry + Thrift is a curated collection of unique vintage pieces and thoughtfully reworked treasures. Each item tells a story and connects you to the past while embracing a modern aesthetic.

## Our Process

Every piece in our shop is sourced by hand from local thrift stores, estate sales, and vintage markets across Utah. Once selected, our team carefully restores, cleans, and sometimes reimagines items into fresh, wearable art. We focus on sustainability, giving pre-loved items a new life instead of letting them go to waste.

## Our Collections

From gold-plated necklaces to statement rings and reworked vintage apparel, our collections rotate seasonally. We highlight rare finds, one-of-a-kind jewelry, and timeless vintage clothing that fits every personal style.

## Why Shop With Us

Shopping with Opal Haze means joining a community that values individuality, creativity, and conscious fashion. Each purchase supports small-scale sustainability efforts and helps keep fashion circular.
